RoHS Compliance Statement for RH Electronics

Subject: RoHS Compliance Statement for Electronic Components and Products

At RH Electronics, we are committed to ensuring the highest standards of quality and compliance across all our products. As part of this commitment, we adhere to the European Union's **Restriction of Hazardous Substances (RoHS)** Directive, which restricts the use of certain hazardous materials in electrical and electronic products.

We hereby declare that, to the best of our knowledge and in accordance with applicable regulations, all RoHS-compliant electronic components and products supplied by RH Electronics meet the requirements set forth in **Directive 2011/65/EU**, as amended by **Directive (EU) 2015/863**, regarding the restriction of hazardous substances, including:

- **Lead (Pb)**
- **Mercury (Hg)**
- **Cadmium (Cd)**
- **Hexavalent Chromium (Cr6+)**
- **Polybrominated Biphenyls (PBB)**
- **Polybrominated Diphenyl Ethers (PBDE)**
- **Bis(2-Ethylhexyl) phthalate (DEHP)**
- **Butyl benzyl phthalate (BBP)**
- **Dibutyl phthalate (DBP)**
- **Diisobutyl phthalate (DIBP)**

Our suppliers are required to provide full material declarations and certificates of compliance to confirm that the products we distribute do not contain any of the above restricted substances in concentrations exceeding the limits specified by RoHS. We ensure that all products are sourced from manufacturers who comply with RoHS and other relevant environmental regulations.

Please note that this RoHS compliance statement applies to the electronic components and products provided by RH Electronics as of the date of this declaration. Should any changes to the composition or regulatory status of these products occur, we will take the necessary steps to update our compliance statement and notify our customers.

If you require further information or specific product certifications, please contact our customer service team.
